

KASHBOARD CHECKLIST

SET UP YOUR KNECHT KASHBOARD. MAKE MORE MONEY.

Your business data is the lifeblood of your business. But keeping up with what it is and where it lives is a pain. View all your company's data in ONE PLACE with your own personal **Knecht Kashboard**, a customizable dashboard of whatever data floats your business boat. You'll be able to make better decisions, which means making more money.

Here are the most popular **Konnections** for Kashboards.

Don't see a tool that you'd like to track? Just ask! These are the most commonly **Konnected**, but we have more!
